| #         | Cause                                                 | Event                       | Impact                                             | Response                                                                             |
| R1        | Steep trail, altitude challenges, lack of safety prep | Employee injury during hike | Medical emergencies, delays, reputational damage   | Provide safety briefing, first aid kits, assign trained staff, ensure waivers signed |
| R2        | Estimates based on assumptions, unexpected costs      | Budget overrun              | Exceeding allocated funds, sponsor dissatisfaction | Track expenses closely, set aside contingency fund                                   |
| R3        | Poor planning or execution                            | Reputational damage         | Negative community perception, reduced trust       | Ensure strong planning, clear communication, and visible leadership presence         |
| R4        | Lack of defined roles and coordination                | Volunteer inefficiency      | Reduced productivity, incomplete clean-up          | Assign clear roles, provide task checklists, appoint team leads                      |
| R5        | Catering miscalculation or delivery issues            | Food/beverage shortages     | Dissatisfied participants, reputational harm       | Confirm quantities by confirming numbers of participants and have backup supplies    |
